

Do you know if God allowed His Word (or any part of it that He truly said and meant) to get lost through hundreds of years of copying and the translation process, He would not be faithful. **This act of allowing His Word to get lost would be an INTENTIONAL act of unfaithfulness because of who He is and His great and mighty powers:** the power to keep it preserved throughout history just by simply speaking it. Think about it: we cannot be held accountable to it, if it (or any part of it) got lost. **(John 12:48)** We would then be able to present strong arguments in our defense in the courtroom of God's presence for what is and was not found in **all** Bible versions including those that point to Satan as God.

Therefore, the conclusion of the matter really is that God has wasted His time if He did not preserve **ALL** of His inspired words for us today as He promised He would. Also, to believe that He did waste His time because we do not have **ALL** of His words with us today is **FOOLISH!**

**If God said what He did at Psalm 12:6-7, 33:11, 100:5, 119:89, 160, 138:2, Ecc. 3:14, Is. 40:8, Matt. 4:4, 24:35, Mark 13:31, Luke 21:33, Heb. 10:7 and 1 Peter 1:23, 25, then Praise the LORD we can believe Num. 23:19, Is. 14:24, 27, Jer. 32:17, 27; thus, Rom. 14:23, Heb. 10:38 and 11:6.**

**Contrary to what uninspired men believe and teach, God promises still prevail.**

- Is **Lucifer**, Jesus Christ according to the **NIV** at **Isaiah 14:12** when compared to **Revelation 22:16**?
- Jesus Christ is now caught **lying** in modern versions?
- Are archaic words in the KJV outdated or dead?
- Can we trust our scholars and their Hebrew & Greek dictionaries, Lexicons and other Bible study tools?
- Do we have the perfect word of God in English?
- Is there any scientific evidence of inspiration and preservation of God's Word?
- Are the earliest manuscripts better than the later ones according to Bible scholars?
- Can the Septuagint be trusted?
- How to recognize a genuine Bible amidst the multitude of counterfeits?

# Which Bible is God's Word?

## Did you know that Satan has successfully infiltrated our modern Bible versions?

Log on to:

[www.Bibleversiontruth.com](http://www.Bibleversiontruth.com)

The Bible said, "Behold, the days come, saith the Lord God, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the LORD." (Amos 8:11)

These days are **NOW!**

**DID YOU KNOW THAT THE HISTORICAL CRUCIFIXION EVENT WITH THE LIVING WORD IS SUBTLY (ALLEGORIZED) AND VERY CLEVERLY REPEATED WITH THE WRITTEN WORD AND WE ARE NOT COGNIZANT OF IT?**

Are you guilty before God, like His "chosen people" two thousand years ago in Jerusalem (representing Christians today), of (mentally and intellectually) crucifying the Written Word (the Bible) like they did the Living Word (Jesus Christ)? You really need to find out! Think of what is at stake here: **REWARDS!** Read, please read!

Just like how the living Word was arrested, "despised and rejected of men," accused by false witnesses, condemned and crucified; **Bible scholars** (like the chief priests and elders of the people representing preachers and teachers today) are intellectually performing the same ungodly act to the Written Word (they despised and reject it today).

Like the crowd, who were influenced by the religious leaders, lobbied for Barabbas (a murderer representing watered-down modern-day Bible version assassins) as the replacement for "The Living Word," these crooked religious leaders in Jesus' day representing leaders of our modern Bible version crowd, lobbied for Westcott and Hort Greek text (two false witnesses) as the replacement for "The Written Word;" thus, sending "The Written Word" on the way to "Golgotha" to be "crucified."

What we have seen thus far is the procession to "Golgotha," and "the nailing to the cross." We will soon see the manifestation of Amos 8:11, (the vast religious population will abandon God's Word, "**until he be taken out of the way**") or the final crucifixion "hours" of The Written Word; (II Thessalonians 2:7-12) afterwards, that Wicked One shall be revealed. The Written Word (John 1:1) just like the Living Word (Jesus) is on the same blood-trail of "crucifixion" by God's "chosen people." (Isaiah 53:2-5)

**Should we accept FACTS or FAITH? What we can see or what cannot be seen? A seen promise or an unseen promise? Is seeing believing according to man or believing is seeing according to God? Therefore, should we believe God or should we believe man?**

In modern versions, "Lucifer" is gone at Is. 14:12 and replaced with the "Morning Star;" but Jesus Christ is "The Morning Star." (Compare KJV & NIV at Is. 14:12 and Rev. 22:16.) **This is very dangerously insulting to God along with the flimsy explanation given for the change.** (See "the standard lexicon in the field" by corrupt scholars: Brown, Drivers and Briggs.) In fact, the Hebrew word for "star" is nowhere in the original Hebrew text at Is. 14:12. "Fasting" is missing at Matt. 17:21 in the NIV and many others. (Fasting is a very powerful prayer partner along with "fervent" in James 5:16, which is also gone.) **Fornication, whoremonger and sodomites** were replaced. **He, Him and His** when referring to God were replaced with "the One." (Find out very disturbing details in the downloadable book below.) **Servant** was replaced with slave. Man is now created a **little lower than God. Jesus is now caught lying** in modern versions. The mark of the beast is now **ON** and not **IN** the forehead or the right hand; and the list goes on and on.

Why are homosexuals prevalent in churches today? It is because this sin was removed from modern versions? Compare the reading in the KJV and "The Message," at Rom. 1:27 (also, the 1984 NIV edition at 1 Cor. 6:9). Gay and lesbian couples using "The Message," would say they are not "abusing" or "defiling" (neither offending) each other, because they "love" each other; therefore this verse does not apply to them. Examine "Good As New..." Bible at 1 Cor. 7:1-2, 8-9 where "husband" or "wife" was **replaced** with "a regular partner" and "marry" with "get yourself a partner."

Did you know Satan's biggest cover-up using modern versions was/is targeting the fundamental doctrines of God's Word (the deity of Christ, hell, salvation, spiritual growth, etc.) by corrupting them (all verses that point the lost to the narrow way that leads to finding God and eternal

life); he then appears to "enhance" or "improve upon" verses and passages that are inspiring, uplifting, comforting, encouraging, stimulating, arousing, etc. He decorates language in modern versions with just the "right" words that "appear righteous unto men, but within...are full of hypocrisy and iniquity." (Matt. 23:25-28) It would read like the Bible, but is very deceptive in contents. How else do you think he will deceive **"THE WHOLE WORLD?"** (Rev. 12:9) **BY DECEPTION!**

**Did you know that there are ONLY two sources where all of our Bible versions are coming from?** Did you know that the King James Version (KJV) came from one of the sources and ALL of the modern versions are coming from the other source? Did you also know that ALL modern versions deny the preservation of God's Word?

Did you know, 99% of Greek Bible manuscripts available today in museums around the world agree with the KJV reading and ONLY 1% of them agree with the modern versions reading?

Did you know that Lucifer successfully separated his names (Lucifer and the devil) to two distinct entities and denied that "Satan" exists? Now, to achieve this, he has successfully removed his name, Lucifer, from most **Bible dictionaries** and other Christian reference works available today. However, if his name does appear in some, the information given declares that Lucifer is not Satan. **(Check this out!)**

Did you know there is a cover-up perpetrated by most of our Bible commentaries and footnotes today in defending the many missing passages of scripture and altered readings (scriptural readings, footnote authors reject as God's Word)? All of these footnotes maintain that the **"verse is not found in the most ancient manuscript,"** or **"the verse is not found in the two best authorities,"** or (like the Scofield Study Bible, it reads) **"it is generally agreed that this verse has no real authority and has been inserted."** What these footnote authors really mean is that "the best," "the most ancient," "the earliest" or "the nearest" manuscript to the original text is the Westcott-Hort Greek text (1881) or the Vaticanus and Sinaiticus text and if the verse is not found in them, it should be rejected.

These footnotes are generally found in most Bibles. However, modern versions simply

modify words and entire verses (or omit them) by incorporating the footnote views into the actual text.

Throughout our Christian text books you read comments like, **"Scholars now have at their disposal a wealth of materials that the KJV translators knew nothing about,"** or **"The Hebrew and Greek texts now available to Bible translators are far superior to what the KJV translators had."** Do you know these comments and footnote views were placed there by men; many of whom copied from corrupt Bible scholars?

Jesus said, "...beware of the leaven of the Pharisees, and of the leaven of Herod." (Mark 8:15) He simply meant to be aware of the doctrine of these men because they will lead you astray. **You, the reader, will be very shock to know the doctrines and beliefs of the men who penned our Hebrew and Greek dictionaries, lexicons, commentaries, etc.,** and how they incorporated their beliefs into their work. They did this by deleting, adding and changing words and definitions, subtly reconstructing and aligning them to what they believe. Also, they created their prejudice and jealous standards of "correcting" the KJV but will not apply the very same rules and standards when the same issues show up in modern versions.

Did you know that all Greek and Hebrew study tools today are copied from lexicons and critical editions written by Strong (who gave us Strong's Exhaustive Concordance; he believed Lucifer was Jesus Christ), Vine, Moulton, Milligan, Thayer (he did not believe the Bible was the Word of God), Wuest, Trench, Vincent, Liddell, Scott, Zodhiates, Gesenius, Brown, Driver (he charged Jesus with ignorance), Briggs, Scrivener, Berry, Westcott, Hort, Aland, Metzger (he believed that even the original manuscripts contain errors) and Ginsburg; all of them were proven unreliable in various degrees. Most lexicons were written in the 1800s and any copyright protections they may have had, expired. Thus, all modern lexicographers simply copy the old lexicons which are no longer protected by copyright; especially those written by Liddell and Scott, Trench, Vincent, Moulton and Milligan, Thayer, and Strong. Who are these men and what did they believe?
